- Do not swipe complete if you are unable to complete a delivery due to personal emergencies or if the merchant is not available - call in / reach out to us via Telegram (@GF_DP) instead for assistance!
- If a merchant is closed upon arrival, please take a picture of the store and send it to us via Telegram (@GF_DP).

Note: Whenever you reach out to us via Telegram (@GF_DP), provide your full name and mobile number so we can assist you quickly.

Think Safety, Ride Safely

LTA recommends cyclists and PMD riders to attend the Safe Riding Programme, which was developed together with the Singapore Road Safety Council. This 1.5h programme is available at multiple locations, and is currently free of charge. Trainers will guide you through a training circuit where you will practise essential skills to ride safe and learn the new rules and code of conduct under the Active Mobility Act.
